CORRIGENDUM

No. EOC/01/e-Proc/2018-19/07

Date: 04/06/2018

With reference to Department's Notice No. EOC/01/e-Proc/2018-19/06 dated 24/05/2018 regarding invitation of Expression of Interest (EoI) for Appointment of Agency for setting-up and Operation & Maintenance of the State Emergency Operation Center (SEOC) and Related Infrastructure in the State of Bihar on Build, Own, Operate and Transfer (BOOT) basis for a period of 5 (five) years, following changes / addition are made which are as under:

1. The online downloading of EoI document should be read as from 28/05/2018 to 18/06/2018 (upto 5.00 pm) instead of 28/05/2018 to 18/06/2018 (upto 6.00 pm).
2. An additional sub-section is added in the section 1.4 SCOPE OF THE PROJECT which shall be read as 1.4.11: "Provide Early Warning Service (EWS) for Lightning in the state of Bihar. The EWS shall observe hazardous phenomena associated with convective storm development, intensification and movement, and other necessary inputs required to generate early warnings. The EWS shall be based on total lightning data that is obtained from the network of ground-based sensors of the data service provider and cloud computing based data services. Lightning sensors shall be installed across Bihar such that the lightning should be sensed or detected across the entire boundary of Bihar. System should be provided with mobile application and alert dissemination through other mode to areas likely to be affected through SMS, voice alert etc".
